## Reconciliation events to be held at Short Hills during the annual deer harvest.

The Supporters of Haudenosaunee Right to Hunt will host a series of educational and cross-cultural learning opportunities over the course of the annual Haudenosaunee deer harvest at Short Hills Provincial Park. These workshops align with the work already started through the Truth and Reconciliation Commission of Canada and express our commitment to the Commission's calls to action. In honour of the Royal Proclamation and Covenant of Reconciliation we build on the spirit and intent of the Treaty of Niagara of 1764 by reaffirming nation-to-nation relationships. These events are offered as community building initiatives that will promote peace and reconciliation through the lens of "intercultural competency, conflict resolution, human rights, and anti-racism" (TRC, Call to Action 28).

Hunt dates: November 19<sup>th</sup>, 20<sup>th</sup>, 26<sup>th</sup>, 27<sup>th</sup>, Dec 1<sup>st</sup> and Dec 2<sup>nd</sup> 2016.

Location of workshops: Pelham Road entrance to the Short Hills Provincial Park, St.Catharines ON

Please note that all events are family friendly and that materials are provided at no cost. Community members are invited to bring a lawn chair and positive energy. These are drug and alcohol free events.

## Supporters of Haudenosaunee Right to Hunt

We are citizens and community members and we are Treaty people. We aim to honour the Treaties (Nanfan, Two Row Wampum, and Niagara) and support inherent Indigenous food sovereignty and cultural food security. We believe as members of this community, both Indigenous Peoples and settler-allies alike, that it is our responsibility to show support and work with the Haudenosaunee Wildlife and Habitat Authority and Haudenosaunee hunters as they exercise their right to hunt. We work peacefully and by invitation of the hunters. We affirm, by our presence on this territory, the social justice inherent in affirming Treaty rights and responsibilities. We encourage others in this territory to support Haudenosaunee hunters and honour their Treaty rights through non-violent social action and support.
